## REACH EC/1907-2006 SVHC ANNEX 1 COMPLIANCE

Registration, Evaluation, Authorization and Restriction of Chemicals

Please be advised that this certification covers all products that are supplied by **Elatec GmbH**; as there are:

**TWN3 Family, TWN4 Family, TCPCConv, TCPCConv 2, TCP3 and all accessories and/or spare parts shipped individually.**

This certification covers all materials included in the above listed products including the general classification of plastics, rubber, metal, coatings, plating, and adhesives. The above listed Articles do not intentionally release any substances as defined in the REACH regulation; the European Chemicals Agency (“ECHA”) issued a Candidate List of Substances of Very High Concern (SVHC). ECHA has added 9 more new substance to SVHC candidate list on January 17<sup>th</sup>, 2023. The total number of SVHCs is now 233.
